

All Prospective and Returning Members,

Province Lake Golf is pleased to share its Golf offerings for the 2024 golf season: Attached please find information for your consideration:

- Memberships Summary Outline (1 page)
- 2024 Membership Application (2 pages)
- Outings and Tournament Pricing
- 2024 Leagues at Province Lake Golf

This information is being shared with all who have visited Province Lake Golf over the past several years to ensure that they are timely updated on our Golfing opportunities.

The Golfing industry has experienced significant inflationary factors over the past several years including labor and energy and fuel costs that have gone up well over 14%. With that in mind and recognizing that our prospective Members are experiencing the same economic headwinds, we have adjusted some plans to provide the best bang for the buck. Those changes include new plans for our Senior Members and improved plans for our local Young Adults, a demographic that we are looking to attract.

For our returning Members, thank you for your continued and continuing support. We have streamlined and reduced the number of plan offerings. We will be emailing each of you with more details on the changes to the plans, together with in season rack rates for 2024, etc. In that mailing we will include updates on course improvements that are in process now and coming throughout the 2024 golf season together with information on our expanded Food and Beverage and other Hospitality offerings for our Members and their guests.

Should you have any questions, now or when you receive our "Membership Season Opening Correspondence", please contact our Pro Shop staff. They are available to help you select the plan which is most compatible with your projected play schedule. Contact information is listed below.

Pro Shop: 207-793-4040 or proshop@provincelakegolf.com

Membership Questions: Chad Hamilton at chamilton@provincelakegolf.com

Tournaments/Outings: Sabin Beckwith at sbeckwith@provincelakegolf.com

We look forward to welcoming both our new and valued returning Members back to the course in a few short months. Thank you.

The PLG Team
